IN-N-OUT BURGER®
OPENS IN CASTLE ROCK, COLORADO

IRVINE, CA – In 1948, Harry Snyder opened the first In-N-Out Burger, a 10' x 10' drive-thru hamburger stand and introduced his newly-developed two-way speaker box, which allowed guests to order without leaving their cars. Today, hamburgers are still made-to-order, shakes are still made with real ice cream, and In-N-Out Associates are still treated like family. Beginning March 18, 2022, In-N-Out hamburgers, fries, and shakes will be available at our newest location in Castle Rock, Colorado.

As with all locations, fresh ingredients will be supplied to the store from In-N-Out. Hamburger patties are made from 100% American beef and whole chucks are boned and ground by In-N-Out's own butchers. All patties are produced and delivered fresh throughout the week to the stores and are never frozen. French fries are made from fresh, whole potatoes and are hand diced.

Clint Ford, who has been a veteran of In-N-Out for 22 years, will manage the Castle Rock restaurant, located at 5470 Factory Shops Blvd. The restaurant will employ approximately 80 In-N-Out Burger Associates with a starting wage of \$17.00 per hour. There will be one drive-thru lane, indoor seating for 74 guests, and a covered patio with outdoor seating for 28 guests. All In-N-Out Burger locations are open daily from 10:00 a.m. to 1:00 a.m. and until 1:30 a.m. on Friday and Saturday.

In-N-Out currently has locations throughout California, Nevada, Arizona, Utah, Texas, Oregon and Colorado. In-N-Out was founded by Harry and Esther Snyder and is still owned and operated by the Snyder family. None of the units are franchised.

The corporate offices are located at 4199 Campus Drive, Suite 900, Irvine, CA, 92612.
