IN-N-OUT BURGER®
OPENS IN LONGMONT, COLORADO

IRVINE, CA—In 1948, Harry Snyder opened the first In-N-Out Burger, a 10' x 10' drive-thru hamburger stand, and introduced his newly developed two-way speaker box, which allowed guests to order without leaving their cars. Today, hamburgers are still made-to-order, shakes are still made with real ice cream, and In-N-Out Associates are still treated like family. Beginning November 20, 2025, In-N-Out hamburgers, fries, and shakes will be available at our newest location in Longmont, Colorado.

As with all locations, fresh ingredients will be supplied to the store from In-N-Out. Hamburger patties are made from 100% American beef, with whole chucks boned and ground by In-N-Out's butchers. All patties are produced and delivered fresh throughout the week to the stores and are never frozen. Fresh whole produce is prepared daily by Associates at every restaurant, and french fries are hand-diced from fresh whole potatoes.

Vince Mendoza, who has been a veteran of In-N-Out for 16 years, will manage the Longmont restaurant, located at 735 Harvest Moon Drive. The restaurant will employ about 50 Associates upon opening, with a starting wage of \$19.50 per hour. The location will continue to hire new Associates in the months to come.

There will be one drive-thru lane, indoor seating for 84 guests, and a covered patio with outdoor seating for 28 guests. All In-N-Out Burger locations are open daily from 10:30 a.m. to 1:00 a.m. and until 1:30 a.m. on Friday and Saturday.

In-N-Out currently has locations throughout California, Nevada, Arizona, Utah, Texas, Oregon, Colorado, Idaho, and Washington. In-N-Out was founded by Harry and Esther Snyder and is still owned and operated by the Snyder family. None of the units are franchised.

The corporate offices are located at 4199 Campus Drive, Suite 900, Irvine, CA, 92612.
