IN-N-OUT BURGER®
OPENS IN LAS VEGAS, NEVADA

IRVINE, CA – In 1948, Harry Snyder opened In-N-Out Burger, California's first "drive-thru" hamburger stand. Today, hamburgers are still made-to-order, shakes are still made with real ice cream, and In-N-Out Associates are still treated like family. Beginning June 9, 2026, In-N-Out hamburgers, shakes, and fries will be available at our newest location on the Las Vegas Strip.

As with all locations, fresh ingredients will be supplied to the store from In-N-Out. Hamburger patties are made from 100% American beef with whole chucks boned and ground by In-N-Out's own butchers. All patties are produced and delivered fresh throughout the week to the stores and are never frozen. Fresh whole produce is prepared daily by Associates at every restaurant, and french fries are hand-diced from fresh whole potatoes.

Travis Barendt, who has been a veteran of In-N-Out for 15 years, will manage the new restaurant, located at 3747 S. Las Vegas Blvd., 3-150, at the BLVD center. The restaurant will employ approximately 70 In-N-Out Burger Associates, with a starting wage of $18.25 per hour. The location will continue to hire new Associates in the months to come.

There will be indoor accommodations for 170 guests, and an outdoor patio area seating 50 guests. All In-N-Out Burger locations are open daily from 10:30 a.m.

In-N-Out currently has locations throughout California, Nevada, Arizona, Utah, Texas, Oregon, Colorado, Idaho, Washington, and Tennessee. In-N-Out was founded by Harry and Esther Snyder and is still owned and operated by the Snyder family. None of the units are franchised.

The corporate offices are located at 4199 Campus Drive, Suite 900, Irvine, CA, 92612.
